The DeVivo family has been strongly rooted in Saratoga Springs since 1912. Chef Owner Joseph DeVivo Jr. named the restaurant Sabina's after his grandmother who raised her family here on the west side. Growing up the food my grandmother cooked was incredible and everyone in the family loved it. As chef/owner I promise to keep the tradition going here at Sabina's Wood Fired Restaurant and serve great food with as much passion as my grandmother did everyday.

Joseph DeVivo Jr.
